

Harshada Sharma - To Leverage Talent for Growth.

Demure, she may look but Harshada is a person who has the ability to work independently and at the same time she is a goal-driven achiever. Her internship project on 'Performance Evaluation with Benchmark - a study of Kotak30 and SIP with BSE Sensex' for Kotak Asset Management Company and 'Forecasting the Viability and Operational Efficiency by use of Ratio Analysis' for G.R.Agarwal Builders and Dev. Ltd' reflects her hard working abilities.
